84%

X (High School)

Sri Chaitanya School, Kadapa

06/2019 - 04/2020

CGPA-10

PERSONAL PROJECTS

Event Management System (11/2022 - 04/2023)

- Developed a Java-based Event Management System with a GUI for efficient event planning, including location management, cost estimation, and report generation. Implemented SQL-based retrieval and customization of event options.

Implementation Of Undo Redo Applications (07/2023 - 11/2024)

- Implemented an undo/redo system using stacks/lists to maintain user action history, allowing rollback and reapplication of changes. Adapted the functionality for different application types, such as text editors and drawing tools. Enhanced user experience by providing greater control and flexibility over changes.
